Hello,

I'm the Chief of Native Village of Venetie Tribal Government here in Alaska, which represents the communities of Arctic Village and Venetie. I also work for Arctic Village Council as their Tribal Administrator, and I am very interested in helping our community with broadband funding for our students, and to encourage adult education, and help our people succeed in today's world. Thank you for your time.

I've CC'd chief of Arctic Village, Robert Sam, and consultant for NVVTG, Native Village of Venetie Tribal Government.
